Coach's Report

Ladies

Thank you Team.

I asked for 100% and that is what everyone gave.
It was an honour to be part of this team, not only because of the wins, but because of the performances as well.

After the pain of last year it was good to see that the same players that felt the pain were back more focused and determined to get back the trophies we lost.

In preseason I said that we would go out to win every game but what I didn't expect was for everyone to go out with such determination. Throughout the year our touch, passing and movement improved along with our team focus.

From the first game to our last we gave it our all and now we can sit here relax and know that we have done enough to call ourselves champions.

Everything that was won this year was deserved.

Well done on the success and a great year.

Finally thank you to the committee and everyone who puts their hand up to help out, without you our jobs would be much harder.

Coach's Report

Seniors

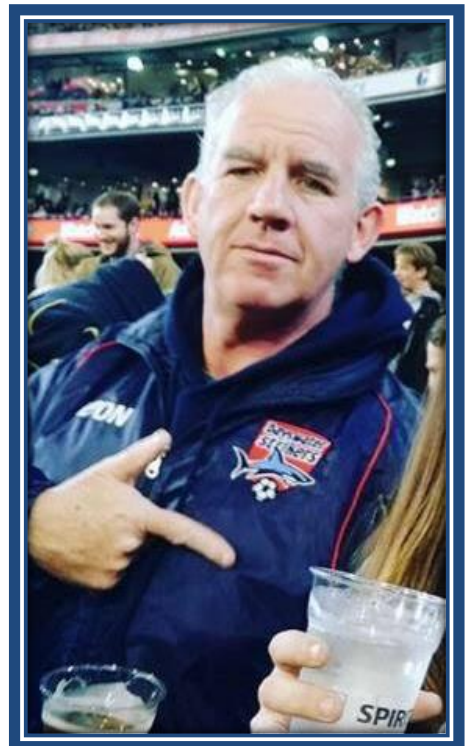

A big thank you to everyone that was involved with the Bayswater Strikers especially everyone on the committee. Your hard work is never overlooked but often not recognised.

On to the Premier Men's team, I was honoured to be reappointed to the senior coaching role after a hiatus.

Having not been part of the senior coaching panel the previous year, I came into this season without expectations. After spending time with the playing group, that expectation quickly changed. It was terrific to welcome back some players who had played with Bayswater previously; your experience is a huge asset to the club. On top of the returning few were the newer players to the club that I hadn't had the pleasure of coaching before. To see these players take on advice, train hard and improve is the greatest pleasure that a coach can find in his role.

I won't lie; to finish the season in third place was a disappointment. I strongly believe that we deserved at least second and our latter season results were a testament to our ability to play the game. To think that out of 17 home and away games, 3 losses resulted in us finishing 3rd is something to contemplate. A turnover here, a miskick there and the title slowly slips away. I hope that this season, as long as it is, has stirred up some fire in the belly of every player that put on a senior shirt. We need to use the disappointing ladder position to motivate us, to drive us into the next season.

Enjoy the offseason lads, but get prepared to train earlier, work harder, get fitter and make a serious challenge of the next season.

Coach's Report

Division 1

After winning promotion last year from division 2 to division 1 the aim for the year was to avoid relegation. This we achieved only just, after a clerical error put us in danger of this late in the season. Credit to the boys you stood up when needed.

The year started with plenty of promise from a squad that was a mixture of old boys full of experience and a few young bucks eager to learn the trade of Sunday football. After a few mixed results we got on the winners board in round 4 with a

cracking display of team work, some great passing and fine finishing, a great display against Seaford at home. As the season continued on we had another 3 wins, with the game against Endeavour was a standout for me.

After scoring first early which we did on many occasion we found ourselves trailing 2-1 at the break. Endeavour managed to get one early in the second half to take the deficient to 3-1. We could have gone into our shells and let the game get away from us, however as we did do throughout the season was fought to win. In a massive turn around we managed to pull one back and then I could see the boys smelled blood and wanted more. In the end we ran away 5-3 winners again a team that spoiled what could have been for us last season. To sum it up the league position didn't reflect the effort that you boys put in every week and just remember because of your efforts you will still be in division 1. Next season

This year the cup was a knockout from the first round and we were granted a massive task of taking on the Endeavour MPL team. Most would have said this was going to be a walk in the park for Endeavour, but that is not what we do at Bayswater, we made them earn it and for most of the game we made Endeavour know that there was game been played. After going for goal for goal throughout the game it was only in the last 15min that the class

Endeavour has showed with them running out 6-3 winners in the end. Even know we didn't progress I was proud of the efforts displayed as it showed true character of what Bayswater is about.

Thanks for another year at Bayswater and I can say it was a pleasure to coach you boys this season.

Special thanks to the committee (and social committee) for a solid season, Dee, Myki and Jade for running the canteen, Grounds man Rook (even if the lines were a little wonky at times), everyone that ran the line during our games and everyone else that was there to support the boys.

Bring on 2018!

Cheers Brimmer

Coach's Report

Division 3

First of all I just want to thank the committee and everyone involved in the Bayswater Strikers. It takes a lot of hard work to run a successful club and without the help of every volunteer there is no way it could run as smoothly as it does.

Secondly I want to thank every person that threw on the boots and had a run in the thirds. We had a few fill ins from reserves and seniors but also players coming back from injury etc. It's always good to add some experience to the division 3 side and I strongly believe it made each player on the field hold their head up a little higher.

Finally, to the Division 3 lads who played week in week out, through tough matches against some very strong opposition, I can't thank you enough. I enjoyed just about every minute of the season, even though I was sidelined for the majority. I don't think I've seen a season, especially in division 3, that we have a full team roster constantly. This in itself is a testament to your character and love for the game. We were unlucky not to win a few more games throughout the year but we always walked off the pitch knowing that we gave 100% and continued to improve week in week out.

I really do hope that you all return again next season although I doubt that I will be coaching you as the improvement I've seen in players will warrant a call up to the reserves for sure.

Thanks again guys, it's been real

Mark Rookie Eaton

Magic Moments of 2017

- Rhino with a Chenzo for his first touch back at Bayswater Strikers during pre-season game at Moe
- Leigh Manners scoring a well-deserved goal against Baxter, getting us across the line to win
- Heidi's Chenzo almost snapping a hammy at the TOPSA semi-final game, some people say her leg is still in the air...
- Luke Drakeford hungover, looking like death and smashing 2 McMuffins during the pre-game talk
- Tay Tay pulling the corner flag out in an attempt to take a corner, then attempting to take it with the opposite foot
- Ladies last game of the season against Mornington peppering every post of the goals
- At the same Mornington venue; Callum leaving the printed team sheet on the bench after the game, only for it to blow away into the forest and get rained on, almost forcing us to forfeit a winning game
- Fajin conceding a goal from over half way when he wasn't even standing in his own 18 yard box
- Emlyn for the positive feedback circle in the change rooms at the semi-final, worked a treat and bought the team together which showed at the cup final.
- H-Con, cementing himself as the enforcer of the team, employing a running suplex to halt a Baxter attacker. It worked to perfection....
- Heshie cleaning up a Croydon player almost into the spectators and bench
- Jodies's late and hungover arrival to a game after fisty cuffs at the Irish the night before
- Rookie with the goal of the year at Seaford with composure and finesse to run off the shoulder of the defender and slot it past the keeper, delish
- Fajin pumping 10 balls over the fence from kickouts still calling "Tony Lockett"
- Sam and Lorna taking Rosebud players out very close to the box (if not in the box) during the Cup Final
- The faces of Crofty, Jodie and Eva light up when they were put up front for the last 10min of the final league game, priceless.
- Liam Brimmer suggesting we build a storage cage for the goals at the back of the club rooms...
- Emlyn for his constant supply of lollypops which even the opposition has mentioned on a few occasions how much quieter our coach has been.

Special Thanks

To Denise, Jade and Mykl.

For donating your time and energy to run the canteen, cook delicious and healthy Thursday night meals for after training as well as offering a training ground for us when GTR was unplayable. We cannot thank you all enough.

You have all made the season more enjoyable for the players

and a breeze for the committee, so thank you for everything you have done.
