Coach's Report

Firstly, thanks to coaches Murph and Mark for making my role so easy and 'light-touch'. I'm not sure many people realise how much time and effort these guys put in to get 3 teams on the pitches each Saturday.

All I had to do was to show up on Saturday and write some numbers on a pre-printed team sheet.

Mind you, my first team sheet was a bit scary – who were these people? Why aren't Rook, Chilli, Corpsey, Alex in the team?

All things considered we had quite a decent season. Finishing a respectable fourth in a very competitive ten team league, despite losing twice in a row to the (then) bottom team.

Thanks to everyone who played this year, most managed to show up on time, no one whinged too much about being rotated, and everyone put in maximum effort when on the pitch.

Thanks to the Bayswater coaches and committee for making it possible for a bunch of has-beens, never-weres, and might-bes to have fun and play the beautiful game each Saturday.

Chilli – you're a long time retired mate. Maybe one more year?

Keith

Coach's Report

After the disruptions of the last two seasons, it was well overdue for all involved at Bayswater Strikers to finally enjoy a full season in 2022.

This season for the reserves was that of many ups and downs, some notable team and individual performances as well as some emphatic victories against long standing rivals.

The squad had a solid nucleus, adding an element of consistency that had been missing the last couple of seasons. With a fair share of injuries and player availability, this presented opportunities for players to move into the reserve squad, as well as put in committed performances for Murph in the seniors. One thing that stood out was how new players were welcomed into the reserve squad, which attributed to individual and team performances.

Despite a few half time sprays, nearly losing my voice each week and have a differing of opinions at times, I can honestly say I am proud to be the coach of a great bunch of lads, to have been a part of plenty of banter, even when it was at my expense!

However, now the focus must be on 2023. I cannot stress the importance of preseason if the reserves squad and the club are going to kick on to the next level.

Finally, I would like to take this opportunity to thank the committee, coaches, supporters and every single club member for your effort, commitment and support this season and look forward to 2023.

Thanks

Mark Adrian

Coach's Report

2022 was a big year for the women's team, having many changes including a new coach and many new players. Jessie was appointed the captain of 2022, showing great dedication and enthusiasm during preseason which flowed through the home and away season. The ladies welcomed new players Maddy, Stacey, Laura and Shanie who showed great commitment and work rate. The team also welcomed back veteran goal keeper Soosh who added stability and consistency in goals all season.

The season started off rocky with illness hitting the team and struggling for numbers for the first few weeks although having 17 girls listed. Playing in the Premier division was very challenging but having the senior girls in the team step up to support and mentor the less experienced really helped. The first game was a tough one, playing a young and fast Berwick saw us loose our first match but also learn a lot about ourselves. It was not long before we got our first win in round 2 against Dynamo, where our senior players Nemo, Sarah and Lorna hit the score board in what was an excellent team win. The ladies worked hard at training all year, improving skills and fitness but were unable to convert many wins.

The woman's team have grown and developed enormously throughout the season and should be proud of their efforts. Next season is looking very promising and the future of our women's team is also looking very exciting.

Coach's Report

Season 2022 was a chance to play the sport we love with no fear of Covid interrupting the season.

It was great to get a full season & the old girl that is Guy Turner Reserve nearly went all the way with a full season.

On the playing front I guess if you have to play 8 different keepers for the season it's a sign that injuries & inconsistency are one of the factors for a poor season. There are no excuses for finishing bottom with only 1 win & 1 draw no one is more disappointed than myself as I like everyone at the club want nothing but all teams to be successful.

The biggest thing for me this season is that all though we were beaten in so many games the senior boys gave everything & the morale never dropped, no bickering no finger pointing, which made me very proud to be associated with the senior lads to all of them thank you.

I am officially finished coaching at Bayswater Strikers although I'm tempted to play next season.

I would like to thank all the people over the last 23 years who have made this Club great & a great place to be, to all the committee members who work tirelessly, the volunteers, supporters who make the strikers a great place,

Thanks
Murph
