Our Commitment to our Junior Community

Equality

- All teams and participants, boys and girls, will be given equal resources and fair opportunities to be their best
- All junior players will be given equal playing time at all levels
- All junior players will be given the opportunity to play different positions to aid their development and enjoyment.
 - o Specialisation into defined positions will not be considered until under 15 level or as peer-reviewed academic research recommends.

Respect

- We respect the officials, our opponents, our teammates, our coaches, our volunteers, our parents and family, the supporters, the sport and ourselves at all times
- We do not tolerate discrimination, intolerance or harassment in any form
- We remember at all times that this is community football, not the World Cup, and adjust our behaviour and expectations to reflect this

Community

- The safety of all children is our number one priority
- We exist to provide affordable opportunities for local people to take part in physical activity through football
- We will use all of our resources available to:
 - o Keep the cost of participating for families down as low as possible
 - o Invest in initiatives to improve experience for our members

Development

- We strive for success, but only as a by-product of our focus on getting people active and socially connected
- We will do whatever we can to make the experience at our club enjoyable, our programs will focus on fun.
- The participants are children, not adults. We will not run extensive fitness programs appropriate for adults in place of fun activities and game based drills using balls.
- We will minimize idle time for participants (e.g. lines, drills with limited ball contact)

Your Commitment to the Club

We expect all of our members to reciprocate the club's commitments and ensure that together we live our values of Equality, Respect, Community and Development.

By registering and becoming a part of our family, players, volunteers and parents commit to our Code of Conduct and club expectations above. Our most up to date documents are available on our website here - <https://bayswaterstrikers.com.au/about/links/>
